

## Licensing Form

Please fill in details below to order Nintex product licenses for both your production and development environments. To ensure correct functionality of this form, we recommend opening with Adobe Reader or Internet Explorer.

To further understand licensing, please refer to <http://www.nintex.com/products> and select the licensing page under the product of interest.

Information on Nintex Software Assurance can be found at <http://www.nintex.com/support> and a Quick Guide to SharePoint Deployments is available at [http://nintexdownload.com/Ncustomers/Quick\\_Guide\\_SP\\_Deployments.pdf](http://nintexdownload.com/Ncustomers/Quick_Guide_SP_Deployments.pdf)
